

## Los Alamos National Laboratory FY 2008 Budget Request

(\$\$ in Millions)

Based on a total Lab budget of \$2.1 billion, which is the DOE FY08 Congressional Budget Request for LANL of \$1.84 billion plus an estimated \$260 million in “Work for Others.” Different agencies, such as Departments of Defense and Homeland Security, NASA, FBI, & the CIA, supply Work for Others funding to the Lab. LANL no longer publicly discloses the level of that funding.
