

Follow the Money: DOE Nuclear Weapons Budgets 1989-2020

Cold War Average Source: Atomic Audit, The Costs and Consequences of U.S. Nuclear Weapons Since 1940 by Steven Schwartz, et al., 1998, Table A-2, Pg. 561

1989-2011 amounts are from Dept. of Energy Congressional Budget Requests for nuclear weapons research, testing and production programs. 2011-2020 amounts are projections from National Defense Authorization Act FY10 Section 1251 Reports, May & Nov. 2010, that address "modernization" of the nuclear stockpile and DOE nuclear weapons complex.
