

LIVING IN THE LIGHT OF CHRIST'S PEACE

A CONVERSATION TOWARD NUCLEAR DISARMAMENT

MONDAY, OCTOBER 27, 2025

6:00PM – 8:00PM

SANTA MARIA DE LA PAZ CATHOLIC COMMUNITY

11 College Ave, Santa Fe, NM

Please join Archbishop John C. Wester and NukeWatch New Mexico for a special evening at Santa Maria de la Paz Catholic Community on Monday, October 27, from 6:00 to 8:00 p.m.

Following a presentation from NukeWatch executive director Jay Coghlan on U.S. nuclear weapons “modernization,” the Archbishop will share reflections from his pastoral letter, *Living in the Light of Christ's Peace*, and speak about the importance of dialogue and hope in working toward nuclear disarmament. He'll also share stories from his recent pilgrimage to Japan — honoring the 80th anniversary of Hiroshima and Nagasaki.

During the presentations in the church sanctuary, there will be time for dialogue and discussion with those in attendance. Following that, we will come together in the church gathering space for informal conversation and light refreshments.

This is a rare and meaningful opportunity to engage with our Archbishop on one of the most pressing moral issues of our time. We hope you will join us for this evening of peace, faith, and dialogue. All are welcome.

The event will also be live-streamed at
<https://www.youtube.com/@SMDLP/streams> for
those who cannot attend in person.
